San Francisco, Sept. 7.—Ecrrora by Brashear, an excusable error by Dilion and passed balls by Spies were responsible for Los Angeles' short end of the score in the game with Oakland teduy. On three hits in the initial inning Oakland scored two runs and held the lead until the seventh. With two out and two men on bases for Los Angeles, Byrne threw wild to second, permitting Tozer and Spies to cross the plate, thereby tying the score. BRITT-NELSON CLASH TOMOROOW

Both Men Are in the Pink of Condition-Trouble Over Referce.

JEFF SAYS HE WILL BE THERE

Declares That He Will be the Third Man in the Ring-Nolan Says No.

San Francisco, Sept. 7 .- Fully deternext Saturday, former Champion James J. Jeffries arrived from Los Angeles to all there is to it," said Jeffries as he step ped off the train. "I understand tha Nolan fears that Nelson will not get quare deal. But the public has demanded give both sides a square deal. If pect that the least bit of crookedness oing on I will call the right of in an

doclared that he was not anxion erec the fight and spoke as though old not take the place even if i affered to him.

WHAT NOLAN SAYS.

country." Any sort of a fight draws a rowd, oftentimes without regard to the nerits of the attraction.

Naturally, betting has practically come of a standstill. Betters will not, of course, place their money guttle all doubt of the work of the store of the standstill and there is a disposition to wager on the coming fight, all hose who are so disposed are holding off utill the referce has been agreed upon. Britt still is a strong favorite, the prevailing odds being lo to?, with now and hen the more liberal odds of 10 to 8. The work of training is over. Both menure within striking distance of the weight, ure in the most perfect condition and will not find it necessary to do any more hard work. Their trainers are now giving their strention to the important detail of holding them "on edge." Nelson has done the pardest sort of work up to within the past day or so, keeping up his grind, in act, until yesterday evening. Today he cook it somewhat easier, Britt let up in als extremely heavy work several days, so, cutting out all boxing and his swim in the surf after his daily work.

FIGHT TOMORROW AFTERNOON,

FIGHT TOMORROW AFTERNOON.

FIGHT TOMORROW AFTERNOON.

The impression prevails in some quarters that the big fight is set for tomorrow night. This is a mistake. The battle is scheduled for the afternoon. The articles of agreement stipulate that it shall take place at Colma, Cal., between the hours of I and 5 n m.

But if Nolan baugs out there is a literihood that the dight will not take place. If such is the vase, it will be good-bye to Nolan and Nelson so far as the coast is concerned. In the opinion of the writer, Nolan has taken a most absurd postition. He is the only one objecting to the big fellow. That Jeffries will be absolutely honest there is no good reason to doubt. The public demands that he referce. He himself declares that he will give each man a fair show, and that at the least sign of crookedness he will declare the fight off, or no contest. What more can Nolan reasonably ask for? Does he think that Jeff would take a chance to ruin his good name by rendering an unfair and biased decision? If Nelson wins he will be given the decision. If there is any crookedness, it is safe to plunge with your last kopeck that James J. Jeffries will not be a party to it.
